

### Service of decisions of the NCN Director under DAINA 2

Under DAINA 2, proposals are submitted electronically via the ZSUN/OSF (*Zintegrowany System Usług dla Nauki /Obsługa Strumieni Finansowania*) system, available at: <https://osf.opi.org.pl>.

By entering the call, the applicants shall express their consent to have documents served to them by the National Science Centre (hereinafter: "NCN") by means of electronic communication, and they shall be required to indicate in the proposal the electronic address for service of documents. The applicants shall be required to verify all data entered in the proposal, including the electronic address indicated for service of documents.

If the applicant is a group of entities specified in Article 27 (1) (1) - (2), (1) (4) – (5) and (1) (7) of the NCN Act (uniform text in Journal of Laws of 2019, item 1384, hereinafter: the „NCN Act”), they should indicate their Electronic Delivery Box (ePUAP) address for service of documents.

During evaluation of their proposal, the applicants shall notify NCN of all changes to their address, including the electronic address. In the event of failure to do so, service of documents to the former address shall have legal effect.

Information of changes made to the address is governed by Article 41 of the Administrative Procedure Code of 14 June 1960 (consolidated text in Journal of Laws of 2020, item 256, hereinafter: “APC”).

The results of DAINA 2 shall be made available in the ZSUN/OSF system and served by way of the decision of the NCN Director.

Under DAINA 2, NCN shall make the results available and serve the decisions having completed:

- a) the eligibility check: applicants whose proposals have not met the formal requirements shall be served the decision in an electronic format to the electronic address specified in the proposal for service of documents and the justification for the evaluation of the proposal shall be provided in the ZSUN/OSF system. The information on sending the decision and providing justifications for proposals rejected in the course of eligibility check in the ZSUN/OSF system shall be posted on the NCN’s website: [www.ncn.gov.pl](http://www.ncn.gov.pl);
- b) merit-based evaluation and having compiled the final ranking list: the applicant whose proposal has been submitted for merit-based evaluation shall be served the decision to award or refuse funding in an electronic format to the electronic address specified in the proposal for service of documents and the justification for the evaluation of the proposal shall be provided in the ZSUN/OSF system. The information on sending the decision and providing justifications for proposals recommended and not recommended for funding shall be posted on the NCN’s website: [www.ncn.gov.pl](http://www.ncn.gov.pl).

**PLEASE NOTE: Under DAINA 2, decisions shall not be served to the applicants after the first stage of merit-based evaluation.**

Furthermore, the list of proposals recommended for funding shall be posted on the NCN’s website: [www.ncn.gov.pl](http://www.ncn.gov.pl).

Once the final ranking list is compiled based on the comparison of the results of merit-based evaluation performed by NCN and Research Council of Lithuania (RCL), information on the results of merit-based evaluation in DAINA 2 shall be made available in the ZSUN/OSF system and communicated to the applicants electronically by way of a decision of the NCN Director.

Decisions of the NCN Director shall be served to the applicants.

Furthermore, if the applicant is an entity specified in Article 27 (1) (1) - (2), (1) (4) – (5) and (1) (7) of the NCN Act, the funding decisions of the NCN Director shall additionally be communicated to the principal investigator.

The decisions of the NCN Director shall be served to the applicants in an electronic format, to the electronic address specified in the proposal. The decisions of the NCN Director shall bear a qualified electronic signature in the PAdES format.

The manner in which the decision is served depends on the applicant's status.

If the applicant is an entity specified in Article 27 (1) (1) - (2), (1) (4) – (5) and (1) (7) of the NCN Act, decisions of the NCN director shall only be served to their Electronic Delivery Box (ESP ePUAP) address specified in the proposal. If the applicant has been authorized as a public entity, the decisions shall be sent in an Official Confirmation of Submission (*Urzędowe Poświadczenie Przedłożenia*, hereinafter: "UPP"). If the applicant has not been authorized as a public entity, the decisions shall be sent in an Official Confirmation of Service (*Urzędowe Poświadczenie Doręczenia*, hereinafter: "UPD"). **The applicant must check if the ESP address is correct.**

In the event that the applicant has been provided access to the justification for the evaluation of the proposal in the ZSUN/OSF system but has not received the decision, it is recommended to check whether the ESP (ePUAP) address specified in the proposal is correct or to contact the NCN Program Officer in charge of the proposal specified in the ZSUN/OSF system.

The decisions sent to the applicant **authorized as a public entity** to their ESP (ePUAP) address shall be deemed served once the National Science Centre has received a UPP, which shall be issued automatically once the document has been served to the ESP ePUAP address of the applicant and shall not require any action on the part of the employees of the NCN. A UPP shall only be issued automatically when the ESP address of the applicant is assigned to a public entity. The date of receipt of the UPP shall be deemed as the date of effective service of the decision.

Applicants **not authorized as public entities** are required to sign and return an acknowledgement of receipt. In order to have a UPD issued, one should login to the ESP mailbox specified in the proposal, download the message from the National Science Centre, and sign (with a signature supported by a qualified certificate or confidential profile) and return the UPD to the NCN. After the UPD has been returned one may peruse the text of the decision. The date of receipt of the UPD shall be deemed as the date of effective service of the decision.

Should the applicant fail to download the decision in an electronic format within 7 days of the date on which the original decision was sent, the applicant shall be notified again that he/she may download the decision.

If a UPP or UPD has not been received, the decision sent to the e-mail address has not been received in an electronic format or a wrong ESP (ePUAP) address, ePUAP mailbox or e-mail address has been specified, the decision of the NCN Director shall be deemed effectively served after the expiry of 14 days from the date on which the original decision was sent.

The NCN shall provide the recipient of the decision at the latter's request, for a period of at least 3 months from the date of finding it served, with access to the decision in an electronic format, information on the date on which the decision was found served and the dates on which notices to that effect were sent.

In addition, on the date of sending the decisions, information on the outcome of the evaluation of proposals for which the decisions were issued and availability of justifications in the ZSUN/OSF system shall be published on the NCN's website.

### **Date of the decision of the NCN Director becoming final**
