9.	Does the entity receive any operating support for research?	YES/NO
11.	Head of the entity / authorised representative	<i>professional title / academic degree, name, surname, position</i>
12.	NIP (tax identification number), REGON (statistical identification number) and KRS (court register number)	<i>KRS – optional</i>
<b>Entity (level 2) – optional</b>		
1.	Entity's name in Polish	
2.	Entity's name in English	
3.	Address of registered office	<i>street, street No., apartment No., postcode, town/city, voivodeship, country</i>
4.	Contact information	<i>phone No., e-mail, www</i>
<b>RESEARCH TASKS</b>		

<i>Note! The purchase of research equipment, participation in conferences, preparation of publications, etc. are not to be regarded as research tasks</i>		
No.	Name of the research task in Polish	Name of the research task in English
1.	<i>preparation of publications, etc. are not regarded as research tasks</i>	<i>Name of the research task must be identical to the name in in Polish</i>
2.		
...		
<b>SIMILAR RESEARCH TASKS</b>		
1.	Is the PI applying for funding of the research tasks included in this proposal also from other sources?	YES/NO
2.	List of funding sources [in English]	<i>If the answer to the question above is „YES”</i>
3.	Has the PI received funding for any other COVID-19 related research?	YES/NO
4.	Provide the source and amount of funding and the subject [in English]	<i>If the answer to the question above is „YES”</i>
5.	Is the entity applying for funding of the research tasks included in this proposal also from other sources?	YES/NO
6.	List of potential funding sources [in English]	<i>If the answer to the question above is „YES”</i>
7.	Is PI currently working or has he/she completed research tasks similar in scope to the tasks included in this proposal?	YES/NO
8.	Description of similar tasks and justification of the need to fund them [in English]	
<b>Authorship/co-authorship of the project</b>		
1.	PI is the author of the project descriptions/ a co-author of the project descriptions:	<i>Choose AUTHOR/ CO-AUTHOR</i>
2.	Authors of the project descriptions:	<i>Complete if “CO-AUTHOR” is chosen</i>
<b>ABSTRACT</b>		
<p>In English (up to 1 page).          The description shall include the most important information on the project, including (in particular) the link between the research and the objective of the call.</p> <p>Text limit: 1 page, A4.          Required formatting: top-bottom margins: 1.5 cm, left-right margins: 2 cm, font: Times New Roman, font size: at least 11, interline: single.</p>		
<b>DESCRIPTION</b>		

A description (up to 5 pages) in English, including the following information:

- 1) scientific goal of the project (description of the problem to be solved, research questions and hypotheses, compliance with the objective of the call);
- 2) significance of the project (state of the art, justification for tackling a specific scientific problem, justification for the pioneering nature of the project, the impact of the project results, including the objective of the call);
- 3) concept and work plan (general work plan, specific research goals, results of preliminary research, risk analysis);
- 4) research methodology (underlying scientific methodology, methods, techniques and research tools, methods of results analysis, equipment and devices to be used in research);
- 5) project literature (a reference list for publications included in the project description, with full bibliographic data).

The above-mentioned sections, including references to literature, are required. Failure to include any of them shall form grounds for rejection of the proposal on formal grounds.

Particular attention should be paid to the link between the research and the objective of the call.

Text limit: 5 pages, A4.

Recommended formatting: top-bottom margins: 1.5 cm, left-right margins: 2 cm, font: Times New Roman, font size: at least 11, interline: single.

#### **ETHICAL ISSUES**

*To be filled out in English. If the answer to the question above is „YES”, please describe measure taken to ensure that the research is carried out conforming to the common law and rules of good practice in the respective domain/discipline.*

<b>1.</b>	<b>Studies on human embryos or human embryonic and fetal tissue</b>
	Does your research involve the use of human embryos? (YES/NO)
	Does your research involve the use of human embryonic or fetal tissues/cells? (YES/NO)
	Does your research involve Human Embryonic Stem Cells (hESCs)? (YES/NO)
<b>2.</b>	<b>Humans</b>
	Does your research involve human participants? (YES/NO) <i>If YES, fill in section 4.</i>
	Does your research involve physical or psychological interventions on the study participants? (YES/NO) <i>If YES, fill in section 4.</i>
	Does your research involve processing of genetic information? (YES/NO) <i>If YES, fill in section 4.</i>
	Is your research considered as medical experiment under the Act of 5 December 1996, on the professions of doctor and dentist (Journal of Laws of 2018, item 617, as amended)? (YES/NO) <i>If YES, fill in section 4.</i>

(YES/NO) <i>If YES, please justify non-commercial aspect of your research and fill in section 4.</i>
<b>3.</b>	<b>Human cells/tissues</b>
	Does your research involve human cells or tissues (other than specified in section 1) commercially available? (YES/NO)
	Does your research involve human cells or tissues obtained within the project or from another project, laboratory or institution (non-commercial)? (YES/NO)
<b>4.</b>	<b>Personal data</b>

	Does your research involve personal data processing? (YES/NO)
	Does your research involve further processing of personal data from other sources outside the research entity? (YES/NO)
<b>5.</b>	<b>Animals</b>
	Does your research involve vertebrate animals or cephalopods? (YES/NO)
	Does your research involve the use of animal biological specimens (e.g. blood, urine or others)? (YES/NO)
	Does your research involve animal cells or tissues or cell lines commercially available? (YES/NO)
<b>6.</b>	<b>Scientific collaboration with countries outside the European Union</b>
	In case non-EU countries are involved, do the research-related activities undertaken in these countries raise potential ethics issues? (YES/NO)
	Do you plan to use local human, cultural or natural resources (e.g. animal, human and/or fauna, human and/or animal genetic material, human remains, materials of historical value, endangered fauna or flora samples, etc.)? (YES/NO)
	Do you plan to import or export any material from non-EU countries into the EU? (YES/NO) <i>For data imports or exports, please fill in also section 4.</i> <i>For imports or exports concerning human cells or tissues, fill in also section 3.</i>
	If your research involves low and/or lower middle income countries, are benefits-sharing measures foreseen? (YES/NO)
	Could the situation in the country put the individuals taking part in the research at risk? (YES/NO)
<b>7.</b>	<b>Environment, Health and Safety (including genetically modified material)</b>
	Does your research involve the use of organisms and microorganisms, tissues or cells genetically modified (GMO, GMM)? (YES/NO) <i>For research involving animal experiments, please fill in also section 5. For research involving genetic modification of human material, please complete also section 1 or 3.</i>
	Does your research deal with endangered fauna and/or flora and/or protected areas? (YES/NO) <i>For research involving animal experiments, please fill in also section 5.</i>
	Does your research involve the use of elements that may cause harm to humans, including research staff? (YES/NO) <i>For research involving human participants, please fill in also section 2.</i>
<b>8.</b>	<b>Cultural heritage</b>
	Does the research involve the usage of cultural heritage resources, such as humans, flora, fauna, their material remains, tangible and intangible cultural achievements or sites protected due to their cultural value? (YES/NO)
<b>9.</b>	<b>Abuse and dual use</b>
	Does your research involve use or generation of dual-use items in the sense of EU Regulation 428/2009 (e.g. pathogens, software, technologies) for which an authorisation is required? (YES/NO)
	Does your research output have the potential for malevolent/criminal/terrorist abuse? (YES/NO)
Description of the measures taken to ensure that the research will be carried out in compliance with the rules of good scientific practice in the given field/discipline. Information on any permissions already issued or description of how the relevant requirements will be fulfilled [in English] up to 10,000 characters.	
In the case of research which include clinical trials with a medicinal product or a medical device, a justification for the non-commercial nature of the trials [in English] up to 2,500 characters.	
I hereby declare that (tick the appropriate box): - if any approvals, opinions or permits of competent authorities/committees are required for the research, I shall obtain them beforehand; - I am aware of my obligation to provide the NCN with the approvals, opinions and permits required for the project with the reports; - I am also aware that if a research project is carried out without the required approvals, opinions and permits, there is a possibility that it will not be settled and the funds will have to be reimbursed in their entirety or in part.
