POLONEZ 2

**funding opportunity for incoming researchers who want to carry out research
in host institutions in Poland**

GUIDELINES FOR APPLICANTS

I. ABOUT POLONEZ

POLONEZ is an NCN fellowship programme, co-funded from the EU H2020 Marie Skłodowska-Curie Actions, supporting international incoming researchers working in the broad field of **basic research**, regardless of their nationality. It is targeted at researchers who may apply for 12- or 24-month fellowships in host institutions in Poland, both academic and non-academic, public or private. Apart from living and mobility allowances, amounting to € 4 350 gross per month (and a family allowance of € 300 gross per month, which will be paid taking due account of the researcher's family situation), they are offered a grant to cover the costs of the proposed research. The fellows are also given an opportunity to participate in a variety of research and non-research training programmes provided by the NCN and the host institution.

II. APPLICANTS

The applicant is a researcher with a PhD degree or at least four years of full-time equivalent research experience who has not resided or carried out his/ her main activity (work, studies, etc.) in Poland for more than 12 months in the 3 years immediately prior to the call announcement (15th March 2016), the **timeframe for this call is: 15th of March 2013 – 14th of March 2016.**

- A researcher holding a PhD degree should provide **a copy of the document certifying the award of the PhD degree¹** and its **translation into English or Polish**, if the language of the original is neither English nor Polish; **a scan of this document should be attached to the electronic proposal** (Please see also [Instructions on submitting the proposal in POLONEZ 2](#) section D 16: *Attachment 1*).
- A researcher without a PhD should submit **documents proving four years of full-time equivalent research experience**, e.g. a declaration signed by a representative of the institution where research has been carried out or by a dean of the institute or faculty or the applicant's academic tutor and **their translation into English or Polish**, if the language of the original is neither English nor Polish; **a scan(s) of the document(s) should be attached to the electronic proposal** (Please see also [Instructions on submitting the proposal in POLONEZ 2](#) section D 16: *Attachment 2*).
- **All researchers** should provide documents proving that between 15th of March 2013 and 14th of March 2016 they have not resided or carried out their main activity (work², studies, etc.) in Poland. Such documents may be: a working contract, a residential permit/confirmation, health

¹ In the meaning of the law of country where the degree was awarded.

² Work in Poland is understood as employment by an entity established in the Republic of Poland on the basis of an employment contract, including part-time work.

insurance, rental agreement, university enrolment certificate, proof of income tax return, etc.

Please note that these documents do not have to be translated.

The applicant must prepare a list of these documents and attach scans to the electronic proposal (Please see [also Instructions on submitting the proposal in POLONEZ 2](#) section D 16: *Attachment 3*).

WHO MAY NOT APPLY:

- ❖ researchers, who in the 3 years before the call announcement (15 March) have had the role of Principal Investigators in research projects carried out in Poland (including projects funded by the NCN); a Principal Investigator (PI) is also a person whose project has been granted funding but has not yet started; if he/she would like to apply for POLONEZ, he or she must resign from the grant;
- ❖ researchers, who have had the role of PI in the application submitted to the NCN in the March 2016 edition of the NCN calls for proposals (OPUS 11, PRELUDIUM 11, SONATA 11) or in the application currently under evaluation or in the redress procedure. Results of OPUS 10, PRELUDIUM 10, SONATA 10 will be announced in May 2016;
- ❖ one researcher may act as an applicant in only a single proposal submitted under POLONEZ 2.
- ❖ researchers who are already permanently employed by an institution indicated as a Host Institution in the POLONEZ application;

Researchers who submitted applications in NCN calls for proposals but were not granted funding **may apply** within POLONEZ.

ALL RESEARCHERS, IRRESPECTIVE OF THEIR AGE AND NATIONALITY, MAY APPLY IF THEY FULFILL THE ABOVE CRITERIA.

III. HOST INSTITUTION OF THE FELLOWSHIP

POLONEZ fellowships may be carried out in:
