

The following application form is intended only to present the scope of information necessary to complete this application.
The layout and appearance of fields in this form may not be the same as the application form in the ZSUN/OSF system.
Applications should be submitted only through the ZSUN/OSF system: <https://osf.opi.org.pl>

**Preludium Bis 3 call for research projects
application form – template**

NEW PROPOSAL

1.	Duration [in months]	choose from the list: 36, 48 This information determines the subsequent parts of the proposal. It cannot be changed later. The duration shall be the same as the period of studies at a doctoral school.
----	----------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

GENERAL INFORMATION

1.	Proposal title in Polish	the title of a research project must comply with the post-graduate student's PhD dissertation
2.	Proposal title in English	titles in Polish and English must be identical
3.	Keywords in Polish	
4.	Keywords in English	keywords in Polish and English must be identical
5.	Research field	HS, ST, NZ – filled automatically based on the Primary NCN Review Panel
6.	Primary NCN Review Panel	choose from the list: HS1-HS6, ST1-ST10, NZ1-NZ9. Choose only one.
7.	Auxiliary NCN Review Panels	choose from the list: HS1_001-HS6_021, ST1_001-ST10_016, NZ1_001-NZ9_013 from 1 to 3, including at least one from the panel, to which a proposal is submitted; Proposals are evaluated in the panel to which they are submitted. The panel cannot be changed once the proposal has been submitted. Auxiliary review panels allow to select experts and external experts for merit-based evaluation of proposals. Interdisciplinary proposals may be additionally evaluated by an expert from another panel if so is decided by the Chair of the expert team.

INFORMACJE O STAŻU

1.	Duration [in months]	3-6 months
2.	Host institution	
3.	Address	street, town/city, postal code, region, country
4.	Year	

Justification of the choice [in English]

Justification of the choice of host institution and relevance of the fellowship to the research project, information about the hosting person.

ETHICAL ISSUES

Before filling out the form, read the Guidelines for applicants to complete the Ethics Issues form in the research project and Code of the National Science Centre on research integrity and applying for research funding, both of which can be found in the call announcement.

To be filled out in English. *If you flagged any ethics issues in the Ethics Issues Table, describe measures taken to ensure that research is carried out in compliance with the applicable laws and best practices in the research domain. Refer to each issue separately.*

1.	Studies on human embryos or human embryonic and fetal tissue
	Does your research involve the use of human embryos? (YES/NO)
	Does your research involve the use of human embryonic or fetal tissues/cells? (YES/NO)
	Does your research involve Human Embryonic Stem Cells (hESCs)? (YES/NO)
2.	Humans
	Does your research involve human participants? (YES/NO) <i>If YES, fill in section 4.</i>
	Does your research involve physical or psychological interventions on the study participants? (YES/NO) <i>If YES, fill in section 4.</i>
	Does your research involve processing of genetic information? (YES/NO) <i>If YES, fill in section 4.</i>

	Is your research considered as medical experiment under the Act of 5 December 1996, the professions of doctor and dentist? (YES/NO) <i>If YES, fill in section 4.</i>
	Does the proposed research include applicable non-commercial clinical trial that must be registered in Central Register of Clinical Trials (https://www.clinicaltrialsregister.eu/) under the Act of 6 September 2001 (as amended) Pharmaceutical Law or the Act of 20 May 2010 (as amended) on medical devices? (YES/NO) <i>If YES, please justify non-commercial aspect of your research and fill in section 4..</i>
3.	Human cells/tissues
	Does your research involve human cells or tissues (other than from Human Embryos, i.e. section 1) commercially available? (YES/NO)
	Does your research involve human cells or tissues obtained within the project or from another project, laboratory or institution (non-commercial)? (YES/NO)
4.	Personal data
	Does your research involve personal data processing? (YES/NO)
	Does your research involve further processing of personal data (secondary use) from other sources outside the research entity? (YES/NO)
5.	Animals
	Does your research involve vertebrate animals or cephalopods? (YES/NO)
	Does your research involve the use of animal biological specimens (e.g. blood, urine or others)? (YES/NO)
	Does your research involve animal cells or tissues commercially available? (YES/NO)
6.	Scientific collaboration with countries outside the European Union
	In case non-EU countries are involved, do the research-related activities undertaken in these countries raise potential ethics issues? (YES/NO)
	Do you plan to use local human, cultural or natural resources (e.g. animal and/or human tissue samples, genetic material, live animals, human remains, materials of historical value, endangered fauna or flora samples, etc.)? (YES/NO)
	Do you plan to import or export any material from non-EU countries into the EU? (YES/NO) <i>For data imports or exports, please fill in also section 4.</i>
	If your research involves low and/or lower middle income countries, are benefits-sharing measures foreseen? (YES/NO)
	Could the situation in the country put the individuals taking part in the research at risk? (YES/NO)
7.	Environment, Health and Safety (including genetically modified material)
	Does your research involve the use of organisms and microorganisms, tissues or cells genetically modified (GMO, GMM)? (YES/NO)
	Does your research deal with endangered fauna and/or flora and/or protected areas? (YES/NO)
	Does your research involve the use of elements that may cause harm to humans, including research staff? (YES/NO) <i>For research involving human participants, please fill in also section 2.</i>
8.	Cultural heritage
	Does the research involve the usage of cultural heritage resources, such as humans, flora, fauna, their material remains, tangible and intangible cultural achievements or sites protected due to their cultural value? (YES/NO)
9.	Abuse and dual use
	Does your research involve dual-use items in the sense of Regulation 428/2009, or other items for which an authorisation is required? (YES/NO)
	Does your research output have the potential for malevolent/criminal/terrorist abuse? (YES/NO)
Description of the measures taken to ensure that the research will be carried out in compliance with the rules of good scientific practice in the given field/discipline. Information on any permissions already issued or description of how the relevant requirements will be fulfilled [in English] up to 10 000 characters.	
A detailed justification that research includes clinical trial related to a medicinal product or a medical device is of non-commercial nature [in English] up to 2500 characters	
I hereby declare that: - if any approvals, opinions or permits of competent authorities/committees are required for the research, I shall obtain them beforehand; - I am aware of my obligation to provide the NCN with the approvals, opinions and permits required for the project with the annual and final reports; - I am also aware that if a research project is carried out without the required approvals, opinions and permits, there is a possibility that it will not be settled and the funds will have to be returned in their entirety or in part.	

ABSTRACT

The description in English, up to 4500 characters, with spaces (plain text - no formulas, no graphics), shall include the most important information on the project allowing the experts requested to review the project to assess their competencies to perform the review.

ABSTRACT FOR THE GENERAL PUBLIC

The description for general public must be in Polish and in English. The language versions must be identical.

The descriptions must be attached as two separate PDF files (up to 10 MB).

File format: 1 page, A4.

Recommended formatting: top-bottom margins: 1.5 cm, left-right margins: 2 cm, font: Times New Roman or equivalent, font size: at least 11, interline: single.

The description should be written for general public and should include the project goal, description of research, reasons for attempting a particular research topic and substantial results expected.

Should the project qualify for funding, the abstract for the general public will be published on the National Science Centre's and Ośrodek Przetwarzania Informacji (OPI)'s websites alongside the information on the call's results.

INTERNATIONAL COOPERATION	
To be filled out in English.	
International cooperation means that research tasks are carried out together with investigators from foreign entities.	
The following are not considered international cooperation:	
a) participation in international conferences;	
b) dissemination of information on the project abroad;	
c) implementation of research tasks by a Polish research team abroad without the participation of investigators from foreign entities;	
d) cooperation with foreign researchers employed by Polish entities.	
1.	Is the project carried out as international cooperation? (YES/NO)
If YES:	
2.	Countries
3.	Entities <i>Enter all foreign entities involved in performing research tasks in the project. Full names of the entities must be provided.</i>
4.	Description of advantages of international cooperation [in English]

PROJECT TEAM					
1.	Number of team members				
No.	Nature of contribution to the project	Name	Entity	Scope of work [in English]	Required professional qualifications [in English]
1.	<i>Principal Investigator (PI) can be added from the OPI database pursuant a PESEL number or outside OPI</i>	<i>name and surname</i>			
2.	<i>Doctoral school student</i>	<i>Doctoral school student</i>

PRINCIPAL INVESTIGATOR (PI) - INFORMATION	
Professional title/academic degree, name and surname	
1.	Contribution to the project Nature of contribution to the project, entity, scope of work [in English]
2.	PhD Is the Principal Investigator a PhD holder? (YES/NO) <i>PhD degree is required</i> year of PhD award, academic branch / branch of art in Polish, academic branch / branch of art in English, academic discipline / discipline of art in Polish, academic discipline / discipline of art in English, awarded by: Entity's name in the original language [transcription to Latin], entity's name in English
3.	Information on career breaks – academic and research track record <i>One can enter information on the career breaks by selecting:</i> I wish to enter information on career breaks allowing for the period of scientific achievements to be extended <i>If this option is chosen, the following fields will appear:</i> Long-term (over 90 days) evidenced sickness benefits or physiotherapy benefits on account of unfitness for work collected over a period of 10 years before the proposal submission year. Number of days. <i>Both maternity and paternity:</i> Parental leaves granted pursuant to the Labour Code. Number of days. <i>For maternity only:</i> Children born/adopted. Number of children. <i>The period may be extended by 18 months for every child born or adopted.</i> <i>If the number of children is quoted as well as the number of days of parental leave granted pursuant to the Labour Code, the system will choose whichever option is more advantageous for the PI to account for her career break.</i>
4.	Young researcher (<i>this section will only appear if according to the year of doctoral degree conferment it cannot be clearly determined whether or not the PI is a young researcher for the purposes of the statutory definition</i>)
<i>Please help us to establish whether the PI fulfils the criterion of a young researcher. The information below is for statistical purposes only and shall not affect the eligibility for the call or any part of the proposal form.</i>	
	PhD date
	<i>One can enter information on the career breaks by selecting:</i> I wish to include information on PI's career breaks within 7 years after being awarded a doctorate <i>If this option is chosen, the following fields will appear:</i>

	Career breaks on account of maternity leave, adoption leave, paternity leave or parental leave granted pursuant to the Labour Code of 26 June 1974, or maternity allowance or parental allowance or sickness benefit or rehabilitation benefit collected on account of unfitness for work, including any caused by a health condition requiring physiotherapy within 7 years after being awarded a doctorate. Total number of days.
5.	Academic disciplines
	The main academic discipline (according to the classification of the Ministry of Science and Higher Education) <i>One can enter up to two academic disciplines; if two academic disciplines are entered, specify the main discipline</i>
6.	Personal data
	name, middlename, surname, previous surname, professional title/academic degree, PESEL (if any), date of birth, citizenship, gender
7.	Contact information
	phone No., e-mail, electronic delivery box ESP (ePUAP) <i>Correspondence concerning the proposal, including the funding decision, shall be sent to the Electronic Delivery Box address. electronic delivery box ESP (ePUAP) shall be as follows: /user ID/ESP name</i>
8.	Home address, correspondence address (if different from home address)
	street, street No., apartment No., postcode, town/city, voivodeship, country
9.	Researcher's electronic identifier
	optional, ORCID system identifier (www.orcid.org)
10.	Employment
	entity's name and position in Polish, entity's name and position in English / not currently employed

PRINCIPAL INVESTIGATOR ACADEMIC AND RESEARCH TRACK RECORD [in English]	
1.	Academic and Research Career [in English]
	Academic and Research Track Record <i>information on academic degrees/ titles: date degree/ title conferred, institution, discipline; academic career: start date – end date, institution, position</i>
2.	Publication Record
	<i>1-10 most important papers published or accepted for publication (letter of acceptance required) in the proposal submission year or over the period of 10 years prior to the proposal submission year. 1 to 3 most important papers presented above must be attached as PDF files. For monographs attach a file with at least the title page, copyright page, contents and a selection of fragments containing the author's chief theses.</i> <i>For research in art, 1-10 most important papers published or accepted for publication (letter of acceptance required) or artistic achievements and achievements in research in art in the proposal submission year or over the period of 10 years prior to the proposal submission year. Annex 1-3 most important publications (if any) as PDF files.</i> <i>The period of 10 years shall be extended by any career breaks specified in the form.</i>
	Authors, title in the original publication language [with translation into English], journal, monograph title in the original publication language, year of publication, publisher, place of publication, volume/issue, pages, ISBN/ISSN, editors, open access (YES/NO), total number of citations without self-citations, publication status (published/accepted for publication), DOI Number

DATA MANAGEMENT PLAN	
<i>To be filled out in English.</i>	
<i>Before filling out the form, read the Guidelines for completing the data management plan for a research project that can be found in the call announcement.</i>	
<i>The NCN recognises that some projects will not generate, re-use or analyse research data and similar materials. In these cases, a short explanation is required as an answer to the question 1.1. How will new data be collected or produced and/or how will existing data be re-used. Under each question, a text box for description (up to 1000 characters).</i>	
1.	Data description and collection or re-use of existing data
1.1	How will new data be collected or produced and/or how will existing data be re-used?
1.2	What data (for example the types, formats, and volumes) will be collected or produced?
2.	Documentation and data quality
2.1	What metadata and documentation (for example methodology or data collection and way of organising data) will accompany data?
2.2	What data quality control measures will be used?
3.	Storage and backup during the research process
3.1	How will data and metadata be stored and backed up during the research process?
3.2	How will data security and protection of sensitive data be taken care of during the research?
4.	Legal requirements, codes of conduct
4.1	If personal data are processed, how will compliance with legislation on personal data and on data security be ensured?
4.2	How will other legal issues, such as intellectual property rights and ownership, be managed? What legislation is applicable?
5.	Data sharing and long-term preservation
5.1	How and when will data be shared? Are there possible restrictions to data sharing or embargo reasons?
5.2	How will data for preservation be selected, and where will data be preserved long-term (for example a data repository or archive)?
5.3	What methods or software tools will be needed to access and use the data?
5.4	How will the application of a unique and persistent identifier (such as a Digital Object Identifier (DOI)) to each data set be ensured?
6.	Data management responsibilities and resources
6.1	Who (for example role, position, and institution) will be responsible for data management (i.e the data steward)?
6.2	What resources (for example financial and time) will be dedicated to data management and ensuring the data will be FAIR (Findable, Accessible, Interoperable, Re-usable)?

PERSONAL DATA PROTECTION

Acting pursuant to Article 13 (1) and (2) of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) (OJ L 2016, No 119, p.1), this is to inform all those applying for funding of a research project, scientific activity, fellowship, doctoral scholarship or research component that:

a) the National Science Centre ("NCN") with its registered office in Krakow at ul. Twardowskiego 16, 30-312 Kraków, is the controller of your personal data,
b) the NCN's designated Data Protection Officer can be contacted via electronic mail at iod@ncn.gov.pl, by phone at +48 12 341 9113 or directly at the registered office of the data controller,
c) the NCN shall process your personal data pursuant to Article 6 (1) (c) of the General Data Protection Regulation, in conjunction with Article 20 of the Act on the National Science Centre of 30 April 2010 (Journal of Laws of 2018, item 947, as amended),
d) your personal data shall be processed for the purpose of:
- examining the proposal for funding of a research project, scientific activity, fellowship, doctoral scholarship or research component,
- supervision, financial and accounting operations, audits performed in the course of and after the completion of the research project, scientific activity, fellowship, doctoral scholarship or research component, evaluation of implementation thereof and settlement of funding agreements, if funding is granted for the completion of a research project, scientific activity, fellowship, doctoral scholarship or research component, and
- evaluating the NCN's own tasks, reporting, dissemination of the information on funding awarded by the NCN throughout the scientific community, implementation of other activities regulated by generally applicable laws and for archiving purposes,
