### II. List of publications

---

<sup>1</sup> Applies only for the Polish research team.

<sup>2</sup> For Polish research teams: CVs together with publication lists are required for Co-investigators holding a PhD degree (or equivalent) that will not be selected in an open call. For Chinese research teams complete in accordance with the NSFC requirements.

Please list below, in chronological order, up to **10** major publications published over the past ten years (2012-2022). Listing more than 10 publications or from other periods of time (except for career breaks in the case of Polish PI or Co-investigator) **may lead to rejection of the proposal at the eligibility check**. Please fill out according to the template shown below. Copy and paste the template as needed. Any database can be used as a source of citations. It should be the same one for all publications and for all co-investigators in the project.

**Please note:**

\*Delete the unnecessary one

\*\*Either an acceptance letter or DOI is required for papers accepted for publication but not yet published – – in the case of Polish research team members; the acceptance letter needs to be attached to the OSF system-

\*\*\*Self-citations are excluded

*! Please use the actual publication language for titles (no translation into English is required).*

*! For Polish applicants only: older publications can be cited if the Principal Investigator or Co-Investigators has/have taken significant career breaks within the last 10 years. A career break is understood as the time of long-term (in excess of 90 days) evidenced sickness benefits or physiotherapy benefits on account of unfitness for work. In addition, this period may be extended by the number of months of child care leave granted pursuant to the Labour Code and in the case of women, by 18 months for every child born or adopted, whichever option is more advantageous.*

c) the NCN shall process your personal data pursuant to Article 6 (1) (c) of the General Data Protection Regulation, in conjunction with Article 20 of the Act on the National Science Centre of 30 April 2010 (Journal of Laws of 2018, item 947, as amended);

d) your personal data shall be processed for the purpose of:

- examining the proposal for funding of a research project, scientific activity, fellowship, doctoral scholarship or research component,

- supervision, financial and accounting operations, audits performed in the course of and after the completion of the research project, scientific activity, fellowship, doctoral scholarship or research component, evaluation of implementation thereof and settlement of funding agreements, if funding is granted for the completion of a research project, scientific activity, fellowship, doctoral scholarship or research component, and

- evaluating the NCN’s own tasks, reporting, dissemination of the information on funding awarded by the NCN throughout the scientific community, implementation of other activities regulated by generally applicable laws and for archiving purposes;

e) your personal data shall be processed from the moment it has been collected for as long as it is necessary to achieve the purposes indicated in point d) and to pursue related claims, for the period required by generally applicable laws and for the period of storage as defined by the NCN’s records management procedures and the Uniform File Classification System;

f) provision of your personal data is a statutory requirement and without its disclosure the purposes described in point d) cannot be achieved;

- g) the recipients of your personal data may only be entities authorised to collect personal data pursuant to generally applicable laws and, to the extent specified in Article 31 of the Act on the National Science Centre of 30 April 2010 (Journal of Laws of 2018, item 947, as amended), individuals using the NCN's website;**
- h) your personal data may be transferred for processing to third parties, such as the National Information Processing Institute with its registered office at al. Niepodległości 188b, 00-608 Warsaw. Such third parties process data based on personal data transfer contracts and are also bound to keep the data being processed confidential;**
- i) you have the right to access your personal data, correct your personal data and restrict the processing of your personal data; and**
- j) you have the right to lodge a complaint with the President of the Personal Data Protection Office if the General Data Protection Regulation is violated.**
